

Ron Marotto
Supervising Hydrographer
Ventura County Watershed Protection District
805-654-2044
800 South Victoria Ave #1610
Ventura, CA 93009
Ron.marotto@ventura.org

Bio:

Ron started his hydrology career in February 1997 when he started as an intern for Santa Barbara County. After he finished his bachelor's degree in Hydrological Sciences from the University of California Santa Barbara he was then hired by the County of Ventura in July of 1998 where he continues his career to this day. Ron has more than 15 years experience with much of his expertise focused in maintaining flood warning systems and surface water gauging. Ron received his Professional Hydrologist Certificate from the American Institute of Hydrology in February 2011 and has been a board member of the ALERT Users Group since 2008.

Abstract:

Southern California's Migration into ALERT2

- An overview of what has transpired to get Southern California to this point
- Current needs to start the migration over to ALERT2
- What tools might be used or needed to progress forward with ease
- What might the future hold
