8 Different Activity Areas Funded

Delta Flood ER Grant Awardees

6 Projects Funded

125 Participating Agencies

Over \$8.5 million in requested funds

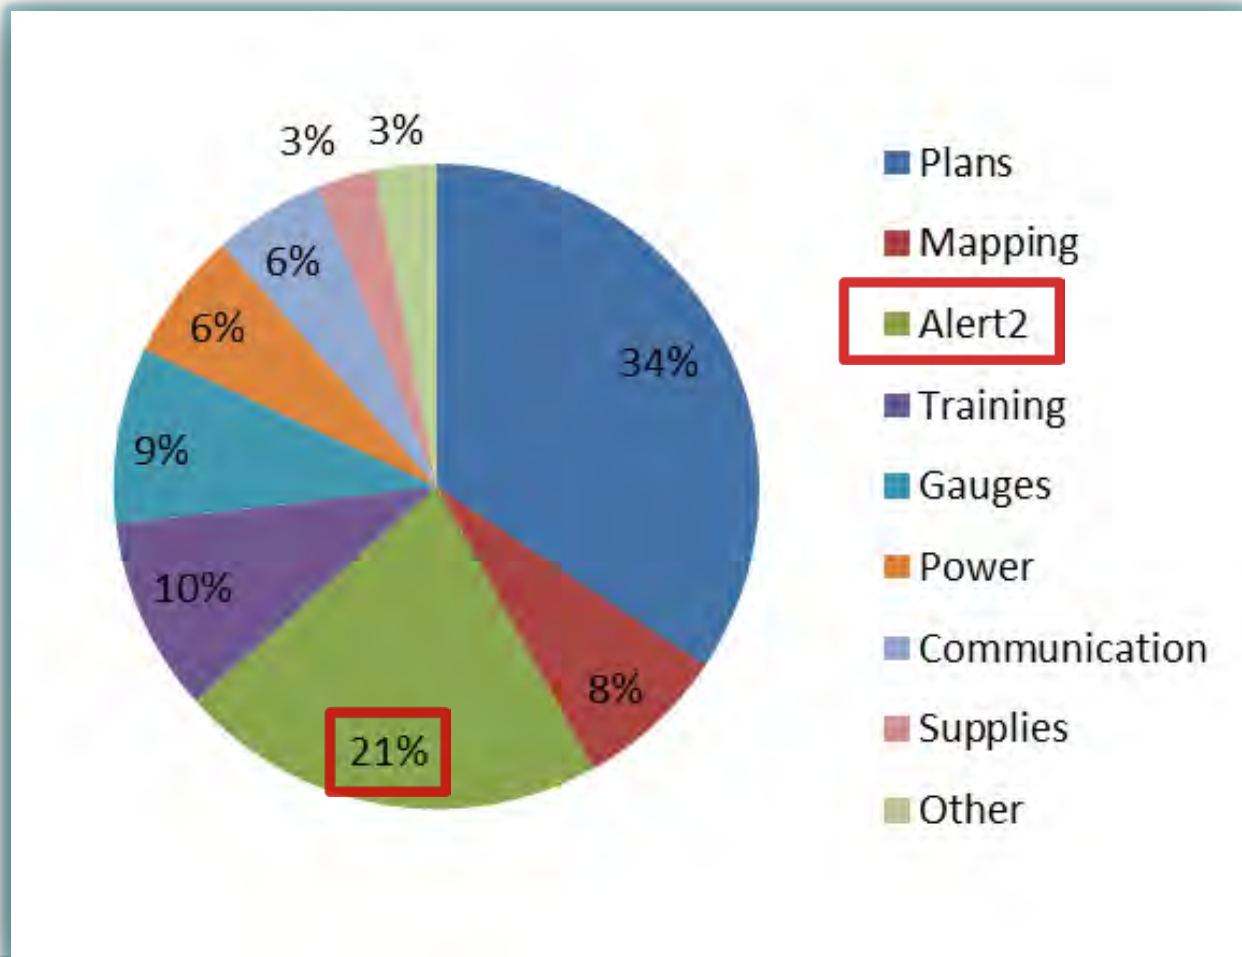

Focus on Step 1 Activities

ALERT Systems in Flood ER

ALERT systems play an important role in the flood emergency response system.

- 
- Reliable collection and transmission of real-time hydrologic data
 - Information flow facilitates critical and timely decision making process
 - Emergency operations and flood response and recovery are enhanced

Statewide Grant Funded Activities
